## OTHER

\_\_\_\_\_ As required by law, you can purchase a CA gun law pamphlet at the time of sale or transfer of a firearm. The cost is \$2 per copy. It is available online at no cost. Do you wish to purchase the gun law pamphlet? Yes \_\_\_\_\_ No \_\_\_\_\_

\_\_\_\_\_ As required by law, there is a 10 day waiting period (ten 24 hours days starting when the DROS is submitted) for most firearms transfers, therefore your firearm may have to be stored. There is no charge for the storage (unless left over 30 days) nor is there insurance for stored firearms, therefore you assume all risks in such storage. If you are not willing to assume the risk, please use another firearms dealer.

\_\_\_\_\_ Any firearm left for over 45 days (total) will be considered abandoned and will become the FFL's property. This and any storage charge may be waived by advance agreement or under unusual circumstances with independent verification. The reason for this is to strongly encourage the prompt pickup of all items.

\_\_\_\_\_ All sales are final and there are no refunds on special orders unless approved in advance.

\_\_\_\_\_ Payment is to be check or cash at the start of the waiting period and only cash at the time of pickup, with a minimum payment of expenses at or before the paperwork is started..

\_\_\_\_\_ Customer is responsible for any and all collection/attorney charges/fees/expenses related to this transaction. The FFL is providing the transfer service as a public service, at a minimal cost, which does not typically cover the expenses.

\_\_\_\_\_ Any false information given by the customer or any indication that the transaction might not be legitimate will cause the cancellation of the transaction and the customer is liable for any and all expenses related to the transaction, as well as relinquishing all rights and interest in the firearm involved.

I have read, understand and agree to all of the above (including previous page). These terms will apply to any and all transactions.
